<p>Recommendation 1. Establish a cohesive online presence that is owned by the West Louisville Community Council. The initial online presence will be through a website and Facebook page. Other social media platforms will be added as the WLCC develops the capacity to maintain each platform with content. Website & social media handles will reflect that the WLCC represents all 9 West Louisville neighborhoods. <i>Rationale:</i> <i>The WLCC needs a platform to communicate information, post meeting minutes and agenda. An online and social media presence will help to provide legitimacy and transparency for our efforts.</i></p>	<p>Circle your choice.</p> <p>100% Yes, we should work to complete this goal.</p> <p>0% No, we do not need to act on this recommendation.</p>
<p>Recommendation 2. At the conclusion of the "Name Our Space" activity, the WLCC, in conjunction with community partners, will conduct a community wide competition for visual art representations of the selected name. Three winning art works will be chosen and become the property of WLCC to be used in future promotion activities emphasizing the best of West Louisville. Establishment of contest logistics and parameters will be the sole responsibility of the Marketing & Communications work group. <i>Rationale:</i> <i>An opportunity to empower the community to shape its own narrative through visual art.</i></p>	<p>Circle your choice.</p> <p>93% Yes, we should work to complete this goal.</p> <p>7% No, we do not need to act on this recommendation.</p>
<p>Recommendation 3. WLCC will request that Louisville Metro Government provides funding and labor for the production and installation of a billboard showcasing the winning art work from the visual art competition at the 24 acres at 30th, Muhammad Ali, & Market Streets. <i>Rationale:</i> <i>By assisting in the rebranding of the lot, Louisville Metro Government shows a commitment to the community initiated efforts to promote responsible redevelopment in West Louisville.</i></p>	<p>Circle your choice.</p> <p>93% Yes, we should work to complete this goal.</p> <p>7% No, we do not need to act on this recommendation.</p>
<p>Recommendation 4. WLCC will solicit sponsor(s) to contribute at least \$1,500 to cover the costs of cash prizes, award reception, and cost of fiscal agency for the visual art competition. <i>Rationale:</i> <i>The WLCC is not a registered legal entity and cannot accept donations. A fiscal agent will be necessary to accept donations and make cash payments while WLCC initiates the process of becoming a legal entity. A fiscal agency agreement usually requires a percentage of the total donation as an administrative fee.</i></p>	<p>Circle your choice.</p> <p>89% Yes, we should work to complete this goal.</p> <p>11% No, we do not need to act on this recommendation.</p>
